SECTION 6 (Question 28)

28 During the last few months how often has your SE puppy encountered the following events or experiences (e.g. Infrequently = once approximately monthly; Frequently = approximately weekly; Very Frequently = several times per week or more).

Unfamiliar adults

Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Unfamiliar children

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Unfamiliar dogs

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Unfamiliar cats

Infrequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Familiar dogs

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Familiar cats

Infrequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Birds

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Squirrels

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Farm animals/livestock

Infrequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Lawn mowers

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Thunder

Occasionally

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Sudden loud noises (bangs, crashes, etc.)

Occasionally

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Traffic sounds

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Busy traffic

Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Heavy trucks

Occasionally

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Cars honking

Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Trains

Occasionally

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Crowds

Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Slippery floors

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Stairs/staircases

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Sidewalk grates

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Car rides

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Elevators

Very Frequently

Please score the puppy's typical reaction to this event/experience

4=secure, confident

Comments:

SECTION 7 (Questions 29 Thru 30)

29 Medical

Has your SE puppy suffered from any of the following health problems?

No
