

The Seeing Eye®

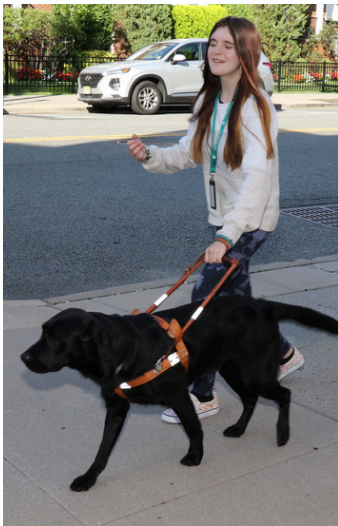

Youth Program

**Are your students aged 15 to 18 curious about guide dogs?
Do they wonder what it is like to partner with a guide dog?**

If so, The Seeing Eye's Youth Seminar
could be a perfect fit for them!

Our upcoming youth program is
scheduled for August 18-21, 2025.

It will be a fun, informational
experience for students to explore
what it's like to partner with a
Seeing Eye® dog.

About the Seminar:

Students will stay on campus and experience what it's like to be in a class at The Seeing Eye. This immersive experience, including time with one of our dogs, will give them a better understanding of the skills needed to be a safe successful guide dog user. Students should have a significant visual impairment, be proficient cane travelers, possess age-appropriate independent travel skills, and have an interest in guide dog mobility. There is no cost for this program—all meals, lodging, and transportation are provided.
